### A.W. Tozer Bible-KJV (Hardback)

A. W. Tozer

Hendrickson Publishers (1 February 2012)

\*\*\*\*

#### Summary:

"The Word of God well understood and religiously obeyed is the shortest route to spiritual perfection. Nothing less than a whole Bible can make a whole Christian. A. W. Tozer "Key writings of one of the twentieth century s most profound Christian authors are married with the scriptures that A. W. Tozer loved, studied and wrote about over the course of his forty year ministry. ">Hendrickson Publishers is proud to introduce the A. W. Tozer Bible, which will introduce a whole generation of readers to his work. Tozer (1897 1963), an pastor, preacher, student and teacher, is perhaps the closest American writer to C. S. Lewis, with the same penetrating insights and straightforward use of language. His bracing words, which accompany related passages throughout this Bible, unlock many of the mysteries of the Scriptures in language that could have been written today. This unique volume features over 500 key selections and teachings, taken from more than 40 of Tozer s writings, ranging from seminal bestselling books like "The Pursuit of God" and "The Attributes of God" to lesser-known works such as The Size of the Soul and The Root of the Righteous. Each selection appears in one of three categories: On Scripture Over 365 selections, each sharing the page with the Bible passage to which it refers, add depth and insight to a particular verse s application for the believer. Reflections More than 100 writings that apply the deep meaning of the Christian faith to everyday life. Challenges Nearly 100 entries, tied to scripture, that exhort the reader to resist compla-cency in particular areas of one s living out the Word in the world. Special Features Brief biography of A. W. Tozer Over 500 Tozer selections Book introductions Words of Christ in red Concordance Maps"

# American Standard Version 1901 (Hardback) (ASV)

None

Thomas Nelson (1901)

\*\*\*\*

#### Summary:

The Holy Bible is a collection of books and letters written by many people who were inspired by the Holy Spirit of God. The Revised Version, Standard American Edition of the Bible, more commonly known as the American Standard Version (ASV), is a version of the Bible that was first released in 1900. The Holy Bible consists of two main sections: the Old Testament (including Psalms and Proverbs) and the New Testament (Matthew through Revelation). The Old Testament records God's interaction with mankind before He sent His son to redeem us, while recording prophesy predicting that coming.

#### Amplified Bible (Hardback)

Zondervan

Zondervan (1987)

\*\*\*\*

#### Summary:

The Amplified Cross-Reference Bible offers the full text of the popular Amplified® translation along with an extensive center-column cross-reference system to help you get the most out of your Bible-reading experience.

The Amplified Bible is designed for readers who want to understand all the rich nuances of the original Bible languages. No working knowledge of Greek or Hebrew is required—just a desire to know more about what God says in his Word. With its unique system of brackets, parentheses, and italics, the Amplified Bible defines and expands key words and phrases right in the text. Verse by verse, the deeper meaning behind the message of Scripture unfolds as you read.

# Analytical-Literal Translation of the New Testament of the Holy Bible (Hardback)

Authorhouse (1 May 2001)

\*\*\*\*

#### Summary:

The Iraq War: a mine field of explosive actions, rhetoric and opinions and yet if one is able to unravel the many layers suffocating the core, one quickly realizes that amongst the numerous cross sections are a dozen slices or so, for which victory or defeat is most dependant. This book's purpose, its MANDATE, was to uncover these particulars, present the choices available, the accompanying mindset, and the actual actions to be taken depending on the chosen path, with the added emotional and passionate injection where required to drive the ideas and choices of the American people, their government as well as the people and governments of their respective counterparts around the world. The book thereby achieves its goal, chapter by chapter, by addressing each of the particular variables and the manner in which they can be manipulated in order to create the desired effect. Some of these include:

The conscious decision to Win, Lose or Draw in Iraq

The "right" party and candidate for the office of President of the United States

The "hearts and minds" of Iraqis

Strategies to win the war

The "cost" of war

Choosing to mend

## Bible In Living English (Hardback)

Steven Byington

Watchtower Bible And Tract Society

\*\*\*\*

#### Summary:

The Bible in Living English is a translation of the Bible by Steven T. Byington. He translated the Bible on his own for about 45 years from 1898 to 1943 but was unable to have it published during his lifetime. After he died in 1957, the Watch Tower Bible and Tract Society acquired the publication rights, but the translation was not published until 1972.

A notable characteristic of this translation was the use of God's name, which Byington translated Jehovah in the Old Testament. Byington states in his preface: "The spelling and the pronunciation are not highly important. What is highly important is to keep it clear that this is a personal name. There are several texts that cannot be properly understood if we translate this name by a common noun like Lord, or, much worse, by a substantivized adjective".

# Book Of Yahweh (Imitation Leather)

None

House Of Yahweh

#### Summary:

If a book could speak to recount its arduous journey to reach the hands of its reader, then The Book of Yahweh would have an amazing tale to recount. From the earliest writings of Abel and Mosheh (Moses) to the startling visions of Yahchanan in the Book of Revelation – the Holy Writings have progressed through time and survived to bring its life-giving words to the reader of today. Falsified writings and book burnings notwithstanding, Yahweh preserved His inspired teachings, prophecies, warnings, and hope – evidence of His Power and Might – a modern day miracle!

Stands apart from the others

The Book of Yahweh stands apart from all translations of the Bible solely by the fact that in a set time, Yahweh Himself would guarantee that The Truth of His Holy Name, His Laws, and Prophecies would present itself upon a world stage one last time before the coming of the Marvelous Day of Yahweh.

"The Kingdom of Yahweh is at hand," said the Savior, Yahshua Messiah.

His Life's work, through the efforts of His disciples and their followers began our modern day miracle and the work of the Last Days Witness, Yisrayl and his followers bring that labor to completion at this time.

Search out The Book of Yahweh and read! The book itself is a testimony of time and inspired direction of Yahweh, the Living Heavenly Father, and Creator of all life.

### Cotton Patch Gospel: Paul's Epistles (Hardback)

Clarence Jordan

Association Press (1 February 2004)

The Cotton Patch Gospel recasts the stories of Jesus and the letters of Paul and Peter into the language of the mid-20th century South. Bom out of the Civil Rights struggle, these now classic translations of much of the New Testament bring the far-away places of Scipture closer to home: Gainesville, Selma, Birmingham, Atlanta, Washington, D.C. As Jordan once wrote, "While there have been many excellent translations of the Scriptures into modern English, they still have left us stranded in the long-distant past. We need to have the good news come to us not only in our own tongue but in our own time. We want to be participants in the faith, not merely spectators."

Genre: Religion Number of Pages: 167 Language: English ISBN: 9781573124249 Status: Unread

#### Dead Sea Scrolls Bible (Hardback)

The Oldest Known Bible Translated for the First Time into English

Martin G. Abegg, Jr., Peter Flint, Eugene Ulrich

HarperCollins (17 November 1999)

#### Summary:

From the dramatic find in the caves of Qumran, The Dead Sea Scrolls Bible presents the world's most precious and ancient version of the Bible. One thousand years older than any existing manuscripts, these scrolls allow us to read the Bible it was in the time of Jesus. Preserving parts of all but one biblical book, scrolls confirm that the text of the Old Testament as it has been handed down through the ages is largely correct. Yet, they also reveal numerous important differences. The Dead Sea Scrolls Bible: Offers new and striking textual readings that clarify millennia-old puzzlesRestores lost psalmsReveals previously unknown details about the lives of biblical figuresProvides new information on how the Hebrew Bible was createdThe Dead Sea Scrolls Bible presents all 220 of the Dead Sea biblical scrolls, arranged to be read in canonical order. The texts are translated into English by Eugene Ulrich, one of the three general editors of the Dead Sea Scrolls, Peter Flint and Martin Abegg Jr., the directors of the Dead Sea Scrolls Institute. Commentary by the editors provides insight into the rich cultural and religious traditions behind the scrolls and the Bible itself.

#### Experiencing the Word New Testament (Hardback)

None

B&H Publishing Group (1 February 2001)

\*\*\*\*

#### Summary:

After more than fifteen years of caring work by an international, multi-denominational team of faithful, conservative scholars, the New Testament premieres in this inspiring edition of the Holman Christian Standard Bible "TM". Together with powerful, yet gentle, direction from Henry Blackaby's thought-provoking devotional notes, the new translation opens the reader's heart and mind to the living Word. The attractive, colorful layout of each page, insightful studies of key New Testament terms, and thorough footnoting of alternate readings and supporting references add a dimension of understanding to the text usually found only in study Bibles. Available in hardcover, bonded leather, or paperback, the Experiencing the Word New Testament offers formats suitable for personal use, gift-giving, or Bible study groups.

# God's Word Bible (Hardback)

Today's Bible Translation That Says What It Means

Thomas Nelson Incorporated, World Bible Publishers

World Bible Publishers (1 March 1995)

Summary:

The "God's Word" translation of the Bible, is one of the newest and best translations of the Bible into the everyday language we speak. Its goal is simple, to communicate clearly to today's Americans without compromising the accuracy of the Bible's message. This new translation consciously combines scholarly fidelity with natural English. Throughout the translation process, the biblical scholars worked with English reviewers to make sure that "God's Word" looks and reads like contemporary American literature. It uses natural grammar, follows standard punctuation and capitalization rules, and is printed in an open single column format. Literally accurate... exceptionally readable God's inerrant, inspired, personal communication in clear English Brings the accurate, literal meaning of the original languages into their closest natural English equivalent Presentation page Family record section Ribbon marker Single column book format

### Gospel According to Peanuts (paperback)

Robert L. Short

Westminster John Knox Press (1965)

#### Summarv:

While Charlie Brown, Snoopy, Lucy, Linus, and the rest of the Peanuts gang have enjoyed the kind of success most cartoon characters can only dream about—becoming pop culture icons of the highest order and entering the global consciousness practically as family members—Robert Short's The Gospel According to Peanuts also has found a place in the hearts of many readers, with sales now totaling more than ten million copies. This anniversary edition features a new cover, a new interior design, and a new foreword by Martin E. Marty. Whether coming to the book for the first time or taking a second look, a delightful experience awaits in this modern-day guide to the Christian faith, fully illustrated with Peanuts.

### Great Book (Hardback)

The New Testament of Our Lord Jesus Christ in Plain English

Destiny Image Publishers

Destiny Image Publishers (2003)

#### Summary:

The Great Book is a fresh, new translation of the Word of God. It reads so smoothly that it doesn't even seem to be a translation, though it is painstakingly accurate according to the best Greek manuscripts. The true meaning that God intended comes through loud and clear — in plain English!Because The Great Book communicates so well, it can be used effectively in many ways: \* For teaching kids of all ages — especially teenagers.\* For teaching English to non-native speakers.\* For those who have never read the Bible before.\* For prison ministries.\* For evangelistic outreaches in America.\* For missionary distribution programs around the world. The Great Book is pitched at a 5th grade reading level in order to reach the greatest number of people in the world. The original Greek New Testament was Koine (common) Greek. Let's face it, we could all use a little help with the most difficult New Testament books such as Romans, Galatians, Hebrews, and Revelation!

### Holy Bible Recovery Version (Imitation Leather)

Living Stream Ministry

Living Stream Ministry

Summary:

Throughout the centuries, translations of the Bible have steadily improved. In general, each new translation inherits from previous ones and opens the way for later ones. While a new translation derives help from its predecessors, it should go further. The Recovery Version of the New Testament, following the precedent set by the major authoritative English versions and taking these versions as reference, not only incorporates lessons learned from an examination of others' practices but also attempts to avoid biases and inaccurate judgments. This version, frequently guided by other versions, attempts to provide the best utterance for the revelation in the divine Word, that it may be expressed in the English language with the greatest accuracy. Translating the Bible depends not only on an adequate comprehension of the original language but also on a proper understanding of the divine revelation in the holy Word. Throughout the centuries the understanding of the divine revelation possessed by the saints has always been based upon the light they received, and this understanding has progressed steadily. The consummation of this understanding forms the basis of this translation and its footnotes. Hence, this translation and the accompanying footnotes could be called the "crystallization" of the understanding of the divine revelation which the saints everywhere have attained to in the past two thousand years. It is our hope that the Recovery Version will carry on the heritage that it has received and will pave the way for future generations. As with any New Testament translation, the determination of the original Greek text, based upon the available manuscripts, forms the basis for the text of the Recovery Version of the New Testament. The Recovery Version follows, for the most part, the Nestle-Aland Greek text as found in Novum Testamentum Graece (26th edition). However, in determining the original form of any verse, the translators of the Recovery Version gave careful consideration to the larger context of chapter and book and to similar portions of the New Testament. The most recently discovered manuscripts or the manuscripts of oldest date are not necessarily the most accurate or reliable; hence, the determination of the text for this version was based largely upon the principle stated above. Departures from the Nestle-Aland text are sometimes indicated in the footnotes. Italicized words in the verses indicate supplied words, not found in the Greek text. Quotation marks are used to indicate close quotation from the Old Testament. The Recovery Version embodies extensive research into the meaning of the original text and attempts to express this meaning with English that is to the point, easy to understand, and readable. In those places where it is difficult to express the exact meaning of the original Greek, explanatory footnotes have been supplied. The subject provided at the beginning of each book and the outline of each book take the historical facts as their base and express the spiritual meaning in each book. The footnotes stress the revelation of the truth, the spiritual light, and the supply of life more than history, geography, and persons. The cross-references lead not only to other verses with the same expressions and facts but also to other matters related to the spiritual revelation in the divine Word.

### Interlinear Hebrew-Greek-English Bible, New Testament, Volume 4 (Hardback)

Jay P. Green, Sr.

Sovereign Grace Publishers, (1 July 2009)

The Hendrickson 2005 Interlinear Bible printings are a reprint of the 1985 First Edition of the Interlinear Bible Series and do not have the corrections and improvements of this edition by Sovereign Grace Publishers. This new edition is the fourth edition of The Interlinear Bible Series. It has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition. The Old Testament does not yet have the 1769 King James Version. The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. - Conveniently includes the entire Hebrew and Greek text of the Bible in one place - Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages.

### J. N. Darby Translation (Genuine Leather)

J. N. Darby

Kingston Bible Trust

\*\*\*\*

#### Summary:

The Darby Translation of the Bible is a reliable translation by John Nelson Darby. More than 125 years after its introduction, it is still considered to be one of the most accurate English translations of the Bible.

This edition was designed for friendly display as well as optimal navigation on many electronic devices to ensure your reading experience. For easy navigation you can make use of navigation links. Navigating to your preferred chapter can be done in different ways. In just a few clicks, you can be reading any chapter in the Bible. Special attention was given to the design of the Bible text to optimize the reading experience.

John Nelson Darby (1800-1882) went in 1853 to Germany, where he established congregations in Dusseldorf, in Elberfeld, and in other towns. He was dissatisfied with the existing Bible versions in French and German, and so he collaborated with German and French followers in the creation of new versions in those languages. With some German associates he produced the "Elberfelder Bible," and with French-speaking followers he produced the "Pau Bible."

Darby did not feel such a need for a new translation in English, because he considered the King James Version to be adequate for most purposes, and he encouraged his followers to continue to use it. But, he decided to produce a highly literal English version of the New Testament for study purposes. This New Testament was completed in 1867. The version is exceedingly literal, based upon modern critical editions of the Greek text. After Darby's death in 1882, certain of his followers in England produced an English version of the Old Testament based upon Darby's French and German translations. In 1890 this was published as the Old Testament portion of The Holy Scriptures. A New Translation from the Original Languages by J. N. Darby (G. Morrish, 1890). The complete Darby Bible is still reprinted and used now a days.

#### Jerusalem Bible (Hardback)

None

Darton, Longman And Todd (1974)

\*\*\*\*

#### Summary:

The Jerusalem Bible (JB or TJB) is an English-language translation of the Bible that was first introduced to the English-speaking public in 1966 and published by Darton, Longman & Todd. As a Catholic Bible, it includes the traditional 73 books found in most English translations until the mid 19th century: the 39 books shared with the Hebrew Bible, along with the seven deuterocanonical books as the Old Testament, and the 27 books shared by all Christians as the New Testament. It also contains copious footnotes and introductions.

# Jewish Study Bible (paperback) Jewish Publication Society Tanakh Translation

Adele Berlin, Marc Zvi Brettler

Oxford University Press (2004)

#### Summary:

The Jewish Study Bible is a one-volume resource tailored especially for the needs of students of the Hebrew Bible. Nearly forty scholars worldwide contributed to the translation and interpretation of the Jewish Study Bible, representing the best of Jewish biblical scholarship available today. A committee of highly-respected biblical scholars and rabbis from the Orthodox, Conservative, and Reform Judaism movements produced this modern translation. No knowledge of Hebrew is required for one to make use of this unique volume. The Jewish Study Bible uses The Jewish Publication Society TANAKH Translation. Since its publication, the Jewish Study Bible has become one of the most popular volumes in Oxford's celebrated line of bibles. The quality of scholarship, easy-to-navigate format, and vibrant supplementary features bring the ancient text to life. \* Informative essays that address a wide variety of topics relating to Judaism's use and interpretation of the Bible through the ages. \* In-text tables, maps, and charts. \* Tables of weights and measures. \* Verse and chapter differences. \* Table of Scriptural Readings. \* Glossary of technical terms. \* An index to all the study materials. \* Full color New Oxford Bible Maps, with index.

Modern Young's Literal Translation New Testament-OE (Hardback)

Allen Keith LeClaire

Greater Truth Publ (1 August 2005)

\*\*\*\*

#### Summary:

In 1898, Robert Young finished his final edition of his Bible, now called the Young's Literal Translation of the Bible. Since that time, it has been considered the most literal, accurate Bible translation made. Young's Literal Translation never became a very popular Bible edition due to the fact that it used the same style langauge as the King James Version and that Mr. Young left a lot of the verses in the same word order as it was translated in. This left his edition difficult to read at times. We decided to take this very literal, accurate translation and modernize it. We have updated the language to modern English and have also modernized the sentence structure to what is used today. This was done to improve the readability of the translation. We have taken great pains to make sure that our modernizing did not change the meaning of any verses or passages. With the improved readability, we feel that this translation will become very popular and widely read. This Bible will shed new light on familiar verses. In order to show how the word - you- is being used, we have added a small -P- above the different versions of -you- that are being used in a plural way. We have added a small -Sabout the singular usages. This will eliminate some of the confusion of changing from -thee's- and -thou's- to -you-. We think that this will help all readers. We feel that our modernizing and our indications of plural and singular usages of the word -you- will so improve the readability of this translation, that it will gain in popularity and readership. Now the Young's Literal Translation is available in a very readable form that is just as accurate and literal as the original. The Modern Young's Literal Translation will allow and help more people get a better understanding of God's Word. The Modern Young's Literal Translation will be the best addition to every Christian's library.

# New Cambridge Paragraph Bible with the Apocrypha (Hardback)

King James version

edited by David Norton

Cambridge University Press (2005)

In this groundbreaking edition of the King James Version, David Norton painstakingly collated the established text of the KJV with the Translators' original notes. He presented the text as intended by the 1611 Translators, but with consistent modern spelling and presentation for ease of use.

The New Cambridge Paragraph Bible was originally published in a large format and only with the Apocrypha. As it has become known in the marketplace, a demand has emerged for this Bible in a smaller, more manageable format. It is now presented in personal size editions, either with or without the Apocrypha.

#### New Life Version (Imitation Leather)

None

Christian Literature International

\*\*\*\*

#### Summary:

Looking for a Bible you can really understand? Try the New Life™ Bible, specially designed to clarify difficult words and passages. The New Life™ Version—used around the world in mission work—is now available as an ebook edition. Containing the complete Old and New Testament text, helpful descriptive subheads throughout, and topical study outlines to further explain the scriptures, this NLV Bible is for everyone. Its limited vocabulary makes it perfect for younger readers, in English-as-a-second-language use, or even for longer-term Christians who just want a fresh perspective on the scriptures.

This unique scripture version, originally designed to reach people who did not speak English as their native language, uses a limited vocabulary of 850 words to simply and clearly share God's truth. For example, the term "justified" is rendered "made right with God," and "blaspheme" is rendered "speak against God." Ideal for seekers, new believers, or even mature Christians who want a new perspective

# Orthodox Jewish Brit Chadasha (paperback)

Dr. Phillip Goble

AFI International Publishers (1997)

#### Summary:

Since the Brit Chadasha in Yirmeyeh 31:31-34 was given to Orthodox Jews (the passage is found in the Hebrew Bible, is it not?), and since most Orthodox Jews are in New York City, particularly Brooklyn it seems, then it surely must also be appropriate to make available a translation of the Brit Chadasha from the best original manuscripts in language devoid of goyishe (and non-frum) style. The following is a passage from this new translation, specifically from "The Besuras haGeulah According to Mattityahu (Matthew)" chp 28:19-20, and is illustrative of what we at AFII are doing and what we believe:

#### **Psalms Now (Hardback)**

Leslie F. Brandt

Concordia Publishing House (2003)

\*\*\*\*

#### Summary

What would the psalm writers say if they lived in our times? What words would they use to express their prayers? How would their songs reflect the same truth in a different age? "Psalms Now captures the meaning of the psalms for our time. Leslie Brandt restates, in today's language, the psalmists' honest prayers of praise, sorrow, compassion, fatigue, love, and countless other emotions encountered by those who have truly experienced life. Celebrate the reality of God with the psalmists. Begin today. You may never look at the book of Psalms in the same way once you've been gripped and challenged by the modern paraphrase of "Psalms Now.

# REB Text Edition with Apocrypha Hardback with jacket REBA140

Cambridge University Press

Cambridge University Press (7 November 1996)

\*\*\*\*

#### Summary:

First published in 1989, the Revised English Bible is a complete revision of the New English Bible. Sponsored and approved by all the main Christian denominations, this translation is widely used throughout the UK and abroad. This robust, economical Text Edition includes the Apocrypha, or Deuterocanonical Books, which many individuals and churches include in their bible reading. Suitable for church or school use as well as private study or devotions, this hardback comes with a handsome green jacket. It is an addition to Cambridge's 'standard text' family of Bibles, joining the King James Version and the New Revised Standard Version.

# Revised Standard Version (Hardback) Second Edition With References Wide Margin

None

Thomas Nelson

\*\*\*\*

#### Summary:

The Revised Standard Version of the Bible (RSV) is an authorized revision of the American Standard Version, published in 1901, which was a revision of the King James Version, published in 1611.

The King James Version has with good reason been termed "the noblest monument of English prose." Its revisers in 1881 expressed admiration for "its simplicity, its dignity, its power, its happy turns of expression ... the music of it cadences, and the felicities of its rhythm." It entered, as no other book has, into the making of the personal character and the public institutions of the English-speaking peoples.

The Revised Standard Version of the Bible, containing the Old and New Testaments, was published on September 30, 1952, and has met with wide acceptance.

The Revised Standard Version Bible seeks to preserve all that is best in the English Bible as it has been known and used through the years. It is intended for use in public and private worship, not merely for reading and instruction. We have resisted the temptation to use phrases that are merely current usage, and have sought to put the message of the Bible in simple, enduring words that are worthy to stand in the great Tyndale-King James tradition. We are glad to say, with the King James translators: "Truly (good Christian Reader) we never thought from the beginning, that we should need to make a new Translation, nor yet to make of a bad one a good one ... but to make a good one better."

# Seamless Bible (Hardback)

Destiny Image

Destiny Image Publishers (1 April 2004)

Summary:

At Last, The Story of Christ and His ApostlesTold as it was LIVED. The Seamless Bible breathes new life into the New Testament to impact the lives of yet another generation of believers. This timeless story has been reorganized to follow the events of Jesus and His followers as they were experienced. The Seamless Bible presents these chronicles of the original translation – for the first time ever – in a seamless chronological order as they happened. Adapted from the King James Version, the fabric of the Gospel has been rewoven into an easy-to-read narrative that presents the story of Christ and His Apostles in sequential order to provide new insights about His life and times. Words that may have obscured the simple power, beauty, and truth of Jesus' life and teachings have also been updated to contemporary language. The result of nearly thirty years of effort is a remarkable resource that adds new structure and understanding to the journey of Christ from birth to death and resurrection – and the lives of the Apostles who continued His quest.

# Street Bible (paperback)

Rob Lacey

Zondervan (2003)

#### Summary

First off, nothing. No light, no time, no substance, no matter. Second off, God starts it all off and WHAP! Stuff everywhere! Genesis 1:1 It's creative. It's colourful. It's the Bible as you've never read it. In this engaging new paraphrase, author and actor Rob Lacey renders the Bible in the language of the modern urban reader. Using MTV-style dialogue, Lacey lends fresh perspective to familiar stories and sayings. For new and seasoned readers alike, the street bible takes the message of the Scriptures into the 21st century to create the impact it had in the 1st century.

# Tanakh, the Holy Scriptures (Hardback)

The New JPS Translation According to the Traditional Hebrew Text

Jewish Publication Society, Inc.

Jewish Publication Society of America (1985)

#### Summary:

Read our customer guide Regarded throughout the English-speaking world as the standard English translation of the Holy Scriptures, the JPS TANAKH has been acclaimed by scholars, rabbis, lay leaders, Jews, and Christians alike. The JPS TANAKH is an entirely original translation of the Holy Scriptures into contemporary English, based on the Masoretic (the traditional Hebrew) text. It is the culmination of three decades of collaboration by academic scholars and rabbis, representing the three largest branches of organized Judaism in the United States. Not since the third century b.c.e., when 72 elders of the tribes of Israel created the Greek translation of Scriptures known as the Septuagint has such a broad-based committee of Jewish scholars produced a major Bible translation. In executing this monumental task, the translators made use of the entire range of biblical interpretation, ancient and modern, Jewish and non-Jewish. They drew upon the latest findings in linguistics and archaeology, as well as the work of early rabbinic and medieval commentators, grammarians, and philologians. The resulting text is a triumph of literary style and biblical scholarship, unsurpassed in accuracy and clarity. Ebook versions of this title may be purchased from most ebook vendors.

# Tyndale's New Testament (Hardback)

David Daniell

Yale University Press (1995)

\*\*\*\*

#### Summary:

This translation of the New Testament into English from its original Greek was printed in Germany in 1534 and smuggled back into England. It therefore escaped the fate of Tyndale's previous version, which had been seized and publicly burnt by the authorities. The 1534 edition outraged the clerical establishment by giving the laity access to the word of God, in print in English for the first time. Tyndale, who was already in exile for political reasons, was hunted down and subsequently burned at the stake for blasphemy. For the next eighty years—the years of Shakespeare among others—Tyndale's masterly translation formed the basis of all English bibles. And when the authorized King James Bible was published in 1611, many of its finest passages were taken unchanged, though unacknowledged, from Tyndale's work. Although, therefore, this astounding work of pioneering scholarship was the basis of all subsequent English bibles until after the Second World War, and though it was the version of the Bible used by some of our greatest poets, it is today virtually unknown because of its suppression for political reasons because of its difficult early sixteenth-century spelling. Now for the first time this version is published in modern spelling, as the modern book it once was, so that this masterly work of English prose by one of the great geniuses of the as is available to today's reader.

## Tyndale's Old Testament (Hardback)

Being the Pentateuch of 1530, Joshua to 2 Chronicles of 1537, and Jonah

David Daniell

\*\*\*\*

Yale University Press (1992)

Summary:

In the 1530s William Tyndale translated the first fourteen books of the Old Testament into English from the original Hebrew, a translation that laid the foundation of all subsequent English bibles, including the celebrated Authorized Version (King James Bible) of 1611. Tyndale was the first to translate the Hebrew Bible into English—the first, in fact, to translate anything from Hebrew into English: At the time, that language was virtually unknown in England, and Tyndale had learned his excellent Hebrew while he was exiled to the Low Countries and Germany for political reasons. The publication of Tyndale's Old Testament, on top of his earlier and later translations of the New Testament, outraged the clerical establishment by giving the people access to the word of God in English. Tyndale was hunted down and subsequently burned at the stake for blasphemy. Tyndale translated and printed the Pentateuch (the first five books of the Old Testament) in 1530 as a pocket book, revising Genesis in 1534. He also translated and printed the Book of Jonah, probably in 1531. In addition, there is now little doubt that after translating the Pentateuch, Tyndale went on to translate the historical books of the Old Testament—Joshua to 2 Chronicles—for there is overwhelming evidence that those books, as they appeared in the 1537 "Matthew's" Bible, were Tyndale's work. The present volume contains the Pentateuch (unavailable now except in an out-of-print and unreliably edited Victorian facsimile) and the historical books, which have not been in print since 1551 and are of great importance both to scholars and to the general reader. The spelling in the texts has been modernized to show them as the modern productions they once were, and Tyndale's introductions and marginal notes are included. David Daniell's introduction explores Tyndale's astonishing achievement in single-handedly turning the Hebrew into English of great variety, force, and beauty.

# Voice Bible Step Into The Story Of Scripture (Hardback) step into the story of Scripture

Ecclesia Bible Society

Thomas Nelson Publishers (2012)

#### Summary:

The VoiceTM is a faithful dynamic equivalent translation that reads like a story with all the truth and wisdom of God's Word. Through compelling narratives, poetry, and teaching, The Voice invites readers to enter into the whole story of God, enabling them to hear God speaking and to experience His presence in their lives. Through a collaboration of nearly 120 biblical scholars, pastors, writers, musicians, poets, and artists, The Voice recaptures the passion, grit, humor, and beauty that is often lost in the translation process. The result is a retelling of the story of the Bible in a form as fluid as modern literary works yet painstakingly true to the original manuscripts. Features include: Two-color text Italicized information added to help contemporary readers understand what original readers would have known intuitively In-text commentary notes that include cultural, historical, theological, or devotional thoughts Screenplay format, ideal for public readings and group studies Book introductions Presentation page for personalization Reading plans for Lent, Easter, Advent, and more Topical Guide to the Notes Topical Guide to the Scripture Part of the Signature Series line of Thomas Nelson Bibles The Voice Bibles sold to date: More than 308,000 Thomas Nelson Bibles is giving back through the God's Word in Action program. Donating a portion of profits to World Vision, we are helping to eradicate poverty and preventable deaths among children. Learn more and discover what you can do at www.seegodswordinaction.com.

#### Webster Bible (Hardback)

 $\star\star\star\star\star$ 

#### Summary:

The language of the Bible has no inconsiderable influence in forming and preserving our national language. On this account, the language of the common version ought to be correct in grammatical construction, and in the use of appropriate words. This is the more important, as men who are accustomed to read the Bible with veneration, are apt to contract a predilection for its phraseology, and thus to become attached to phrases which are quaint or obsolete. This may be a real misfortune; for the use of words and phrases, when they have ceased to be part of the living language, and appear odd or singular, impairs the purity of the language, and is apt to create a disrelish for it in those who have not, by long practice, contracted a like predilection. It may require some effort to subdue this predilection; but it may be done, and for the sake of the rising generation, it is desirable. The language of the scriptures ought to be pure, chaste, simple, and perspicuous, free from any words or phrases which may excite observation by their singularity; and neither debased by wlgarisms, nor tricked out with the ornaments of affected elegance. ### Williams New Testament (Hardback)

Charles Williams

Holman Bible Publishers

\*\*\*\*

#### Summary:

Charles Bray Williams (1860-1952) was a Baptist who aimed in his translation to make the New Testament readable and understandable to plain people. It is based on the Westcott & Hort Greek text, and where there have been conflicts in the Greek text, the Vatican manuscript was used. The effort has been made to translate thoughts and not single words into idiomatic English. The translator spent twenty years on the work. (from the Hills 2362 entry)

This translation was first published in 1937 and the copyright was assigned to Moody Press in 1949. The Moody edition was slightly revised from the 1937 edition. The copyright was assigned to Holman Publishers in 1965 and they have produced editions at least into the late 1980s.

# Wycliffe New Testament (1388) (Hardback)

An Edition in Modern Spelling, with an Introduction, the Original Prologues and the Epistle to the Laodiceans

W. R. Cooper

British Library (2002)

#### Summary:

Anyone who is unfamiliar with the history of the English Bible may assume that John Wycliffe actually translated the Bible that is named after him. He didn't, although he probably helped in the production of the first attempt. It was translated by followers of his, and the text of this volume, known as Wycliffe B, appeared in 1388, four years after Wycliffe's death. But John Wycliffe's preaching and writing certainly inspired the translating of the Bible from the Latin Vulgate into English, and the impact of the translation was so great that within a decade of publication a law was passed condemning anyone caught reading it to death. Despite this, the Wycliffe Bible was read by thousands, and even after the advent of printing, handwritten copies of it were still cherished and read. What caused it to fall into disuse was not just its high cost compared to the new printed Bibles, but the great changes in the English language from 1400 onwards. The Victorians produced an old-spelling edition of it under Forshall and Madden in 1850, but the four volumes are a daunting prospect for the modern reader, even when a copy may be found. Now The British Library, in association with the Tyndale Society, is pleased to present an affordable, compact edition of the Wycliffe New Testament, rendered into modern spelling and punctuation, so that readers can enjoy reading this remarkable text for themselves.

#### Young's Literal Translation of The Holy Bible (Hardback)

Robert Young

Greater Truth Publishers (1 March 2005)

\*\*\*\*

#### Summary:

Robert Young's 1898 edition of his translation. This is the third and last edition that he produced. Translation uses the same Elizabethian language that the King James Version uses. However, being a strictly literal translation, the word order is different from the KJV, so it does read different than the KJV and can be difficult at times to read. Being a strictly literal translation makes it the perfect study tool. You can now see exactly what God said and how He said it. There is no changing of words, no softening of words or passages, just translated strictly as it was written in the original languages. Text is done in 9 point print, which is larger and easier to read than the print sizes used in the past by other publishers. Sturdy 4-color hardback cover. This translation will allow the reader to see exactly what God said and will allow a more precise study of the Bible. How can a reader study a Bible when the translators have have interpreted instead of translated? The vast number of modern translation interpret (tell you what they thought God meant) instead of translate (tell you what God actually said). When Robert Young translated this edition, he was not trying to please or appease someone, he was not trying to be politically correct, he was not translating in an attempt to rewrite the Bible to fit his theological beliefs. With this Bible, you get the word of God and nothing but the word of God.
